

Grandville Academic Team Boosters  
**Grandville High School RoboDawgs**

**2018-2019**

**VEX Robotics Sponsor Form**

*Thank you for your interest in supporting the Grandville RoboDawgs. Your contribution to the Grandville Academic Team Boosters will support our Grandville VEX Robotics teams. The GATB is recognized as a 501(c)3 public charity, and your contribution is deductible in accordance with IRS regulations.*

*Contributions can be returned to a RoboDawgs coach, dropped off at the Grandville Robotics & Engineering Center (4900 Canal SW), or mailed to the Grandville Academic Team Boosters (PO Box 265, Grandville, MI 49468.) Checks should be made payable to the Grandville Academic Team Boosters. For more information on supporting our teams, contact Chris Buckler at (630) 373-0462. Or email him at cbuckler@grandvilleboosters.org.*

Our Superintendent has initiated a Robotics and Engineering Task Force involving representatives from the RoboDawgs, elementary schools, our middle school, high school, and the school board. The group is undertaking a capital and operating fundraising campaign which will expand our District's investments in our highly successful robotics program. Grandville is a leader in science and technology education – and in competitive robotics and engineering. Your contribution will help the RoboDawgs continue to maintain a robotics program that is nationally recognized for quality and integrity, where elementary and middle school students aspire to be RoboDawgs, students come to Grandville Public Schools to be part of the program, and colleges recruit RoboDawgs like they do top high school athletes.
